

NURSES MOVING FORWARD IN UNITY

2021 MONL Advocacy Day

WEDNESDAY, MAY 12

MONL is offering a virtual Advocacy Day on Wednesday, May 12, 10:00 AM - 2:00 PM. Sessions will include issues MONL supports and opposes, health policy updates as well as how health policy is taught in academia, information on how hospital systems lobby and engage lawmakers, and live sessions with Michigan House of Representatives Mary Whiteford and Bronna Kahle. We're going to hear from sponsors and exhibitors on what's important to them in the world of healthcare and some live acoustic music during lunchtime as well.

OBJECTIVES:

- Discuss ways to find state legislators in your district whose support may be solicited.
- Review effective means by which to communicate to an elected official.
- Describe ways to become familiar with legislators and issues of significance to nursing and healthcare.
- Understand the role of the Michigan Health & Hospital Association and how it serves to support the healthcare industry's needs through interests of its members.
- Describe the advocacy role nurses can play to improve and attain healthcare equity.

PRICING:
